Sir,

With reference to your letter No L 6445 dated 16th April 1928 calling for definite proposals from the Municipal Council, Tiptur, regarding the ~~town~~ Improvement grant and the drainage scheme of Tiptur ~~town~~, I have the honor to state that definite proposals regarding drainage were called for from the President, Tiptur Municipal Council He has reported that the Executive Engineer, Town planning and Sanitary Division, suggested the construction of two drain works- one at a cost of 23000/- and the other at Rs. 6584/-, that the work costing Rs 6584/- was sanctioned by Government and is in progress and that after completion of this work the question of taking up the other drain work would be considered and that the Municipal Council is of opinion that no other drain work is necessary for the present A copy of the resolution of the Municipal Council is enclosed

2 As regards allotment of fund out of the Town Improvement grant to the Tiptur Municipality, I beg to state that the Municipality has a large suplus at its credit (viz Rs 74687/- at the end of June 1928) and is capable of financing such large drainage schemes independent of the Government grant There are other Municipalities in the District which are in urgent need of financial help from Government for taking up town improvement works At the suggestion of the Executive Engineer, Town Planning and Sanitary Division the Municipal Councils of Tumkur, Madhugiri and Kunigal have taken up

up costly town improvement works which cannot be financed by the respective Municipal Councils owing to their poor financial condition especially Tumkur which has spent away all its surplus fund for the water supply project

3 Having due regard to the requirements of all the Municipal Councils, I have however allotted this year a sum of Rs 1500/- to the Tiptur Municipal Council for expenditure on town improvements works

I have the honor to be,
Sir,
